

OUR MISSION

Above all else we are committed to the glorification of our Lord Jesus Christ through the works done in love and in memory of our Christian daughter, sister, and friend, Tara Sawyer. We commit to support and enable young athletes, children and families in need through prayer, funding and programming. We acknowledge that we can do these, and all things, through Christ who strengthens us. Amen.

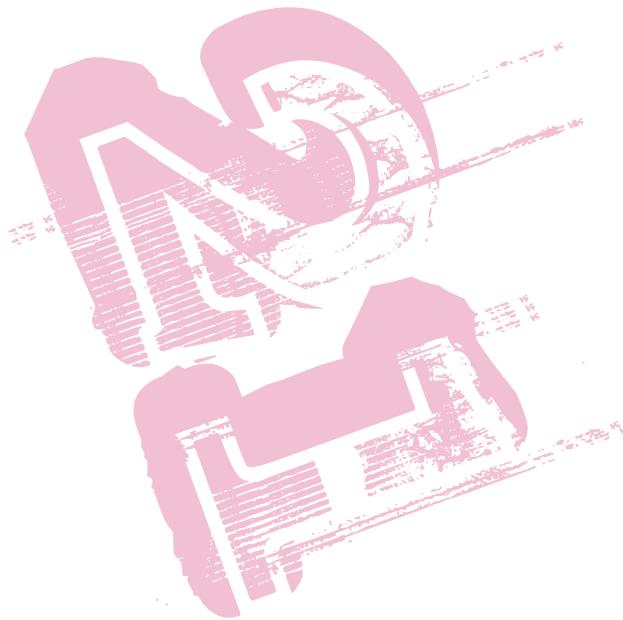

TARA'S STORY

Tara Sawyer is a vibrant Christian spirit that was in this world for 10 years until she went home to be with our Lord.

One of Tara's favorite scripture passages was "I can do all things through Him who strengthens me" (Phil 4:13). It is in that knowledge that Tara was unstoppable. She was the only girl on a select baseball team that made it to the USSSA World Series, the sweet girl who asked a friend every week to go with her to church, the precious daughter that gave of her love unconditionally. And no one that knew her could forget her beautiful smile.

It was in 2002 that Tara contracted Amebic Meningoencephalitis after swimming with friends and family in a Texas lake. Many reporters have told the story of how she left this world and the journey her family took during that time. Her brother Preston has even shared his personal story in writing. You are encouraged to learn about that journey at TaraSawyer.org.

TARA SAWYER FOUNDATION

TARA SAWYER FOUNDATION AND RESOURCES

The Tara Sawyer Foundation makes every effort to support young athletes, children and families in need. Our foundation contributes monetarily to athletic scholarships as well as children's ministry, education, and enrichment programs. We assist the families of young athletes and children to the best of our ability, whether it is financial assistance or in-kind contributions.

Tara was a passionate Christian youth and passed from this world due to a water-born parasite and resulting disease. Because of this we have selected two charities of choice we donate to annually.

Life Outreach International's Water for Life –

This outstanding charity is committed to drilling safe wells in impoverished nations around the world. The wells produced through this work provide safe, healthy water to communities for generations.

Royal Family Kids Camp –

We know that Tara's life was full of joy and fellowship with other children, and we commit to bringing that same excitement to children who have not had that joy in their lives. This charitable organization provides fun, caring camps for abused, neglected or abandoned children. Camps are sponsored by a network of churches throughout the United States.

HELP IS HERE

If you or someone you know needs financial or spiritual assistance, please complete a request for aide online at TaraSawyer.org. We also respectfully accept prayer requests and stories of inspiration online daily.

Our website also provides a listing of individuals, teams and families we have assisted so that our donors can rest assured that their dollars go directly to the people we pledge to help.

Tara Sawyer **CLASSIC**

Annually more than 120 youth baseball teams from Texas and surrounding states convene in North Texas for the Tara Sawyer Classic. Thousands of people are involved in this weekend-long event, including players,

coaches, families and fans. More than just your average baseball tournament, the Tara Sawyer Classic incorporates family-friendly entertainment through a Saturday night "Main Event" and award ceremony, raffles, auctions, children's entertainment and more.

The foundation is always looking for individuals and organizations interested in sponsoring this event to improve the experience for players and continue to fund the work of the foundation.
